Contact Address :Rosa Mysthica CHS , Tulsiwadi ,Tardeo
,Mumbai-400034

Brief Self-description:

Studying in HSNC University and Completed **BSC (I.T) Three year course.**

Aspiring **QA Automation Engineer** with hands-on experience in Manual Testing, **Selenium WebDriver with Python**, and **API Testing using Postman.**

Familiar with **SDLC, STLC, SQL**, and version control using **Git and GitHub**. Passionate about software quality and currently building automation testing projects involving web testing, APIs, and AI-assisted testing solutions.

Seeking an entry-level QA Automation role to contribute and grow in software testing and automation

Education (in reverse chronological order (latest first):

Level of Education	Exact Name of Degree/Diploma and Specialization Subjects	Percentage/C GPA	Period (from-to)

- STLC
- Bug Life Cycle

2) Automation Testing

- Learning Selenium WebDriver with Python
- Locators and XPath
- Waits and Synchronization
- Browser Navigation
- Handling Alerts, Windows and Frames
- Basic understanding of Page Object Model (POM)

3)API Testing

- Hands-on practice with Postman
- REST API Testing
- GET, POST, PUT and DELETE requests
- JSON request and response validation

4) Databases (Basics)

- MySQL
- SQL Server
- MongoDB
- Supabase

5)Programming Language (Basics)

- Python
- Java
- JavaScript
- HTML/CSS

6)Version Control (Basics)

- Git
- GitHub

7)Additional Technologies (Basics)

- Docker
- Kubernetes
- Power BI
- Power Automate

Internship Experience

1) QA Intern | Sort Solutions | Nagpur

- Created and documented more than 200 manual test cases for an NGO web application.
 - Performed Functional and validation testing on application features.
 - Participated in test execution and verification activities.
- Gained practical exposure to software testing processes and documentation.

Scholastic Achievements and Academic Awards

Project	Programming Language
Cab booking Website	ASP HTML Database MYSQL
Horoscope Checker Thief Game Product Guide	Java (using json, calling API) HTML
Smart Connect	TypeScript, JavaScript React, Vite Database Supabase

Achievements, Personal Interests and Hobbies

1. Won Best Content award for our Project Smart Connect in International Conference held at KC College, on March 2026.

Hobbies:

Swimming, Cycling
